INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §1.97, as revised on February 4, 1992, 1135 OG 23-24, Applicant hereby calls the Examiner's attention to documents listed on the attached form, which documents may be material to the examination of this application. Each of these documents was cited in an Office Action in a related application 10/694,097 filed October 27, 2003. As each of these references is either a U.S. patent or published application and since this application was filed after June 30, 2003, a copy of each reference is not being submitted herewith. If the Examiner desires such a copy, it is requested that he contact the undersigned.

No inference should be drawn that the attached list sets forth a comprehensive investigation of the prior art, that any or all are

pertinent to the invention, or that any apparatus disclosed is equivalent to the subject invention.

The citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

As no Office Action or Notice of Allowance has issued in this application, no fee is believed necessary for this IDS. If such a fee should be due, please charge our Deposit Account No. 50/1039.

Respectfully submitted,

Mark J. Murphy
